## Augusta Green

A traditional medium textured unfading green roofing slate tile with a uniform thickness. Provides some contrast with variation in the depth of green and occasional mottling on the roof. Unlike most Vermont fading greens, this product will maintain a distinct green hue with some variation.

### Comparable Slates:

Closely resembles Vermont unfading bright green, yet will remain green and not buff out over time.

Property	Value	ASTM Test Method	ASTM Grade
Modulus of Rupture	580 lbs. at 0.278 in	C-120 - 06	S1
Absorption	.194 %	C-121-06	S1
Weather Resistance	.0010 in	C-217 - 94	S1

*Timeless Natural Beauty & Unparalleled Durability to last a Lifetime*
